Whew! October is over!

It has been very busy. We worked at the Haunted House for our scheduled weekend, and a few worked additional weekends. It is always fun watching people get scared out of their shoes! The crowds were nice and orderly, and we look forward to next October, to do it again. We also worked a shift at the Fair and had a blast!!!

Make sure to have your children or grandchildren visit our table at the Annual Children's Christmas Party on December 8th from 2:30 - 4. Our Dune Cat Ladies Auxiliary has been helping children make Grinch Repellent for a few years. And I have heard from some children that, "It works. He's never been to our house!"

Our annual Christmas party is at Carey Hilliard's Banquet Room on December 14th. Social begins at 6pm and dinner is at 7pm followed by the Installation of Officers. All Dune Cats and Dune Cat widows are invited and encouraged to come.

The Fall Ceremonial was November 15 and 16. Any of the New Nobles that would like to visit the Dune Cats, we meet on the first Monday of each month at 7:30 in the Dune Cat room located on the second floor of the JC Lewis Building. We need your involvement.

Please keep our Troops, Children, Doctors, Shrine patients and their families, the Divan, and each other in your prayers.

Merry Christmas and Happy New Year!
Speedy

Temple Ladies Auxiliary

Ladies of Alee-

As Thanksgiving approaches and the Holidays are coming, we would like to thank each and every Lady who has joined us this year. What a great group of friends we have become.

We are gearing up for our biggest undertaking-the Children's Christmas Party. We want to thank each and every Unit, Club and Auxiliary who has donated toward the toys that Santa brings and those who have spent their time and talents to set up stations for the children to do crafts, games, and just plain fun. We love doing this and it is such a worthwhile project. With that said, please everyone bring your children and grandchildren on December 8th from 2-4 to Alee for the Children's Christmas Party. Last year was record-breaking! We hear the Grinch will also be there!

We elected our officers for 2025 and look forward to new leadership: Colleen Humphries, President; Cheryl Armstrong, Vice President; Laura Grayson, Treasurer; and Cheri Johns, Secretary.

As always, we invite all Shriners' ladies to be part of our Auxiliary. We meet the first Tuesday of each month in the Bill Porter room at 11AM. Our next meeting will be our Christmas Party. A Potluck lunch at noon with a gift exchange. Always a good time! We hope to see you there! We are all looking forward to getting back together then.

We hope to see you soon!

Til next time,
BS

Jesup Shrine Club

Greetings from the Jesup Shrine Club,

With everyone reeling from the aftermath of Hurricane Helene, October got off to a rocky start. Most were still without power, and many events were postponed or cancelled. Our thoughts and prayers go out to all those affected by the storm.

We did get to hold our October Shrine Club meeting. It was great to see all the nobles and ladies come out dressed up for Halloween. We had some scarecrows, some witches, an inmate, a pirate, an Irish woman, some vacationers, some cowboys, a hillbilly gal and an Invincible. The meal was great as always. The ladies were able to admire the work done to the room we meet in, as it is finished. Looking pretty good!! Thank you to all who put the work in to make this happen!

Odum Day was one of the things that was postponed. Thankfully it wasn't cancelled, and we were able to PARADE later in the month! Our own OG Larry Brantley led us and was escorted by PP John B Johnson. The Hillbillies showed up in force, with the bus and a lawnmower, boasting 11 Hillbilly Nobles and their Gals. The Regulators, 7 strong, showed up loud and proud and always a showstopper, dancing in the streets! This parade was much anticipated and so much fun. We just love seeing all the smiling faces as we parade by.

October is Haunted House time, and the Jesup Shrine Club men headed up to Alee to secure the premises. It's always a fun time watching the crowds and listening to the screams as the ghouls and goblins see their way through the winding path to the Haunted Mansion and into the front doors where the laughs and frights can be heard all around. Thank you to those who diligently go and do the work and make us all look good.

The Ladies Auxiliary hosted a blood drive led by Lady Jan Harvey. Lady Jan said, "Our Blood Drive had amazing results. 58 units of life giving blood was acquired!! We had an awesome turnout. Thank you all for your help in saving lives and making surgeries possible. Great Job!!" Thank you, Lady Jan and your band of loyal volunteers! The community thanks you too!

The Jesup Shrine Club participated in the Jesup Veterans Day Parade. It's always great to honor those in our club and our community who served our country. We salute you!

We are looking forward to the festivities of the upcoming ceremonial and welcoming new nobles and ladies to our club! We will see you all there.

Until next time,
Best regards from the Jesup Shrine Club
Lady Denise Bennett

Tattnall Shrine Club

Greetings Nobles,

We hosted our annual 2nd Amendment Banquet a few weeks ago. This event has been the backbone of our fundraising capabilities, and it didn't disappoint again this year!! We thank all of our loyal patrons that supported us once again.

Our mudbog will be held on December 7th, after the Cobbtown Christmas parade. We again apologize for all of the reschedules of this. Come on out and watch the mud fly with us again this year!

As we draw 2024 to a close, we look back and see that we have again done our best at our plan for this year. We encountered some difficulties with the weather, but all in all we had another great year of fellowship and camaraderie. As we get into the end of the year, we also will be turning over the reigns to leaders in our clubs, units, and temple. I wish the best to all the new officers who will be leading all of us in the year to come.

We hope to continue our mission of continuing our bond as a great group of men here in rural Georgia. We have had great participation over the past several years and I feel that we will continue this trend for many years in the future. On behalf of all the officers of Tattnall Shrine Club, I want to thank each member who contributed this year. No action is too small, and each thing that is taken care of pushes us to our goal of what we are trying to achieve. President Ashley did an excellent job this year with his leadership and ideas to keep our club moving forward. Thanks Cousin!! We appreciate you!

To all of the new officers for 2025, you have been chosen by your fellow members to lead, guide, and direct. Use this responsibility wisely. Leadership roles in any group is an honor that is bestowed upon you by your peers, so keep all your decisions rooted in the group of men you represent, and you can do no wrong. I have a hunch we will have another great year in 2025 for TSC, Alee Temple, and of course the good ole USA!!!

Since we are now in the final Fez article of 2024, I want to wish each and every one of you a Merry Christmas and a Happy New Year! If anyone needs anything from us, please don't hesitate to reach out.

Dustin "White Chocolate" Nail

Masonic Youth

I am not sure how many who read this article and/or this Magazine, worry about the future of our Fraternity. The next time you attend a meeting of your Lodge, Shrine Club, Shrine Unit, Scottish Rite, York Rite, Eastern Star Chapter, or Amaranth Court. Look around, take in the age of your members. Have you taken a serious look at the average age of our Masonic Fraternity? What have you done to help invest in our future in the Masonic Fraternity?

Question to all those in the Oasis of Alee? Have you checked out the Youth organizations that fall under the Oasis of Alee? Have you taken the time to check them each out? There are least three (3) DeMolay Chapters and three (3) Rainbow Assemblies that fall under the umbrella of the Oasis of Alee. Do you depend on fact, gossip or rumor for your information? Do you depend on this article to tell you what is happening with these Masonic Sponsored Organizations?

I hereby challenge everyone that reads this article to get in touch with the Adult leaders of the nearest DeMolay Chapter and/or Rainbow Assembly and see what you and/or your Masonic affiliated Body can do to help and support each Chapter and/or Assembly. These young people are the future of our craft, and they need your help and support.

The Order of DeMolay and the Order of Rainbow are the future of our Craft as well as our Nation. Check these Orders out, they both have strong Masonic Ties and links in their history. Both have Organizations have websites.

Thank YOU !!!!

Thank YOU !!!!

Thank YOU !!!!

On behalf of Alee Shriners, I would like to THANK Noble Chris Hafer from the Alee Clown Unit and the South Georgia State Fair - Exchange Club for again trusting Alee Shriners to work the parking for the Fair. Thank you to the Nobles, Unit and Club Fair Chairs/Liaisons, Divan Reps and Ill Potentate Carey Hodges. I have to say, I think for the FUN we had, we should almost pay them. Ok, I said almost! It was a FUN time. Again, looking forward to doing it again.

Appointments Are for Only One Year

When a Potentate's term of office expires, all appointments made by him during his administration **terminate** according to the Imperial Code. Such appointments include all appointed officers, Potentate's aides, members of committees and their chairman, special appointees, directors, assistant directors, and all members of the Potentate's staff.

Some uninformed nobles have mistakenly believed or assumed their appointments to be permanent; that is not! Each Potentate when installed in office must make his own appointments including divan appointments.

The Potentate has the power and authority, under Imperial Shrine law, to replace every appointee, or he may, if he believes it to be in the best interest of the Shrine, retain all appointees by reappointment.

Traditionally, for the sake of efficiency, many nobles of demonstrated ability are continued in office or appointment by reappointment. But this is at the will and pleasure of the incoming Potentate.

In no case is he bound, or can he be bound by his predecessor. By the same token in no case can any Potentate bind his successor.

If it is the will and pleasure of the incoming Potentate that the noble is to continue in his office or position by reappointment, he will be notified by the Potentate to that effect.

Should any noble not holding appointment by the current Potentate wear a fez carrying any title such as "Aide" or any other designation, he does so in violation of the code.

Some nobles seek to perpetuate an appointment fictitiously by adding to the lettering on the fez the year or years of their appointment. This is a violation of Imperial law. The offending may be informed but " ... ignorance of the law is no excuse."

THE SILENT SUMMONS

A member of a certain Lodge or Rite or Shrine, who previously attended meetings regularly, had stopped going. After a few months, the Worshipful Master decided to visit him. It was a chilly evening, and the Worshipful Master found his brother at home alone, sitting before a blazing fire.

Guessing the reason for the Worshipful Master's visit, the brother welcomed him, led him to a comfortable chair near the fireplace, and waited. The Worshipful Master made himself comfortable but said nothing.

In the grave silence, he contemplated the dance of the flames around the burning logs. After several minutes, the Worshipful Master took the fire tongs, carefully picked up a brightly burning ember, and placed it to one side of the hearth, all alone. Then he sat back in his chair, still silent.

His host watched all of this in quiet contemplation. As the one, lone ember's flame flickered and diminished, there was a momentary glow, and its fire was no more. Soon, it was cold and dead.

Not a word had been spoken since the initial greeting. The Worshipful Master glanced at his watch and chose this time to leave. He slowly stood up, picked up the cold, dead ember, and placed it back in the middle of the fire. Immediately, it began to glow once more, with all the light and warmth of the burning coals around it.

As the Worshipful Master reached the door to leave, his host said, with a tear running down his cheek, "Thank you so much for your fiery summons, my brother. I'll be back in our Lodge next meeting."

Hello Nobles and Ladies,

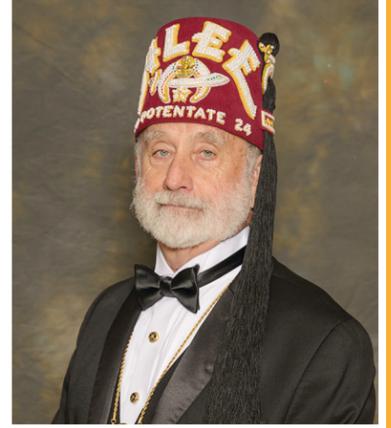

It is always a great day to be an Alee Shriner. I want to thank all the nobles and ladies that came to our stated session. A big shout out to the Ladies of Alee, and the ones who donated items for all the gift bags for the Shriner patients and their families. Congratulations to all the new nobles and their ladies. Lady Julie and I want to wish each and everyone a very Merry Christmas and a Happy New year.

Thanks again for all you do! Focus on what matters while doing more in 24!

Chief Rabban

Hello Alee,

I would like to say thanks to all that came out for the haunted house and helped. Congratulations to Will Morgan and his team for a well ran event.

Big Thank you to Illustrious Sir Freddie for heading up the fair parking. It had a great turn out.

What a great turn out we had for the Veterans Day Parade. God Bless the USA.

I am a candidate for the position of Potentate and would appreciate your continued support. I enjoyed getting to know you all better.

Again, if you need anything please let me know.

Fraternally yours,
Danny Fries Jr.

Oriental Guide

I hope this letter finds everyone well and the remnants of Helen have passed you and life is getting better for you.

We had a wonderful Veteran's Day ceremony and Jesup and the Veteran's parade in Savannah. Again, I want to thank all the veterans throughout the United States of America more especially those that we live with and see every day OK.

By the time you get this newsletter the Children's Christmas party, and the Nobility Christmas party will have come and gone. If there's one thing I know for sure, the ladies that put the Children's Christmas party and other projects throughout our Temple do a tremendous job, and I am so proud of the work that they do. As you know I am new at this game and there's a lot to be learned. Probably the first thing is to make sure you ask the right questions. If the wheel is not broke do not try to fix it.

I encouraged the next Oriental Guide To pay close attention to my mistakes and try not to make the same as I have done.

On a better note the Christmas parties and the parades are amongst us, and I pray that everyone will have a glorious Christmas and a happy new year. I hope and pray everyone will have plenty to eat and all the presents they can afford to purchase.

On a final note, don't forget the annual election coming up in January 11,2025, please come and support your Temple as you've seen in the national election every vote counts.

Thank you for all you do for your lodge, clubs, units and Alee.

God bless you and God Bless America

Nobles and Ladies

Another great year has passed us by, I can't believe it is December already, Lady Marlene and I are looking forward to the many Christmas Parties when we see so many Nobles and Ladies getting together and having fun.

Some dates for everyone to put on your calendar for December are Alee's Childrens annual Christmas Party on December 8, at 2pm for Shrine Patients and 2:30 for all other children, grand Children and great grand children and then on December 11, it is the Alee's annual Nobility Christmas party, where you can set back and let the Alee Divan serve you in appreciation for all the support and hard work you have shown Alee, throughout 2024, don't forget the ugly sweater contest, so get out the ugliest Christmas sweater you have and you may win one of the prizes.

I want to thank everyone for their support in 2024 and announce that I will be a candidate for the position of Recorder once again in 2025, as well as a candidate for Imperial Representative for my 11th year thanks to all the Nobles at Alee. It is my pleasure to serve in these two positions as Alee moves into another great year in 2025.

Lady Marlene and I want to wish every noble, lady and family member of Alee, a Very Merry Christmas and Happy New Year in 2025 and we look forward to seeing you around the Temple.

In a country where you can be anything you want; BE KIND It costs you nothing.

Shriners are brothers, we share a common CREED, with common goals and values.

As always remember our men and women in the armed forces, fighting to keep our country free, your Divan working hard for the success of Alee, and the children and doctors at our hospitals while on bended knee.

Remember to attend your Blue Lodge, Scottish Rite, York Rite regularly.

May God Bless America.
We all worked hard in 2024, to keep ALEE great, we focused on what matters, while DOING MORE IN 24.

Shriners Children's News

Throughout Elizabeth's care journey, she transitioned from a young girl recovering from an accident to a young adult who skillfully advocated for herself.

Elizabeth's story is one of resilience, determination and creativity deeply rooted in the close-knit Amish community of Conewango Valley, New York. When Elizabeth was a young girl, an unforeseen accident resulted in the loss of her arm. For a while, she navigated life without a prosthesis. It wasn't until she turned 5 that she received her first prosthetic arm from Pediatric Orthotic and Prosthetic Services (POPS) at Shriners Children's Erie.

Alex Betancourt, MS, MBA, CPO, Hannah Clark, MS, CPO, and Emily Madder, OTR, BS, worked closely to create prostheses and adaptations that would allow Elizabeth to meet her personal goals. Her prosthesis had to be adapted not just for general daily tasks but also for the unique demands of Amish community life. Additionally, it was crucial to address age-appropriate goals in occupational therapy, such as playing with peers, developing fine motor skills and achieving other developmental milestones. Occupational therapy focused on integrating these aspects into Elizabeth's prosthetic use, ensuring she could engage in typical childhood activities while also progressing through key developmental stages.

"One of her unique goals was to learn how to crochet, so we worked with POPS to drill a small hole in her terminal device that would hold the crochet hook. It's that kind of collaboration between occupational therapy and POPS that allows us to develop functional solutions for our patients, tailoring care plans that fit their daily lives," said Madder. This approach helped Elizabeth balance her daily responsibilities with growth and play, making the adaptation process more comprehensive and supportive of her overall development.

Occupational therapy played a crucial role in helping Elizabeth adjust to her prosthetic arm by teaching her how to perform tasks in new ways. Madder worked with her to build shoulder strength and dexterity in using her prosthesis for everyday activities. "A goal I have been working towards with Emily, is being able to roll up my sleeve with my prosthetic arm. I am so close," shared Elizabeth excitedly.

Intensive collaboration between occupational therapy and POPS allows us to develop functional solutions for our patients, tailoring care plans that fit their daily lives." Emily Madder, OTR, BS

Meanwhile, Betancourt and Clark focused on creating custom devices and attachments that could be integrated with her prosthetic arm, specifically tailored to help her accomplish the tasks required in her lifestyle. This included designing tools for shucking corn, butchering, baking and chopping wood. Each device plays an important part in allowing Elizabeth to maintain her independence and actively contribute to her community. The collaboration and open communication between the POPS and occupational therapy teams ensured that the prostheses and the skills Elizabeth developed were fully aligned with her life and goals, making the adaptation process smoother and more successful. "Elizabeth is such a successful prosthesis user because she fully understands the functions and mechanisms of her arm. Patients who experience a traumatic amputation often reject prosthetic arms. It takes a lot of practice and repetition to master the use of one," said Betancourt.

Craftsmanship is central to Amish culture, with skills often passed down through generations. Elizabeth's uncle, an ironsmith, incorporates this tradition by using his ingenuity to create custom devices tailored to her numerous unique needs. His ingenuity became invaluable in expanding the range of tools Elizabeth could use with her prosthetic arm. Because of the POPS team and her uncle, Elizabeth possesses a chest full of versatile devices that assist her in all aspects of her daily life.

Providers at Shriners Children's Erie consider Elizabeth to be one of their most proficient users of a prosthetic arm. "Elizabeth is the most proficient prosthesis user that I have ever seen in pediatrics and adults. She is the ultimate patient when you think of someone who has completely embodied her device, which is a key part of her success," said Clark.

Elizabeth excels at completing fine motor tasks, including washing, starching and pleating her bonnet, changing cloth diapers, using safety pins, crocheting, sewing, embroidering and braiding her sister's hair. "There is nothing we believe Elizabeth cannot do. She is just like everyone else and we have raised her to believe that as well," said Elizabeth's father, Stephen.

Not only is Elizabeth a star prosthesis user, she and her family are also generous with their time and wisdom when it comes to sharing their story with other pediatric families and patients with limb loss. "Elizabeth is happy to share her experiences to other children that anything is possible with a prosthetic arm; they just need to practice," added Betancourt.

As Elizabeth approaches the transition from pediatric to adult care, Shriners Children's Erie is actively involved in finding her a new prosthetist who can meet her evolving needs. This careful planning is designed to make the transition as seamless as possible, ensuring that Elizabeth continues to receive the same high level of care and support as she moves forward in her journey.

Katie and Scott sat anxiously in the ultrasound room, eager to discover if their daughter, Hannah, was going to have a little brother or sister.

Excitement buzzed through the room as they watched the grainy black-and-white image of their baby flicker on the screen. However, as the ultrasound technician's expression shifted, so did the mood. What began as a joyous occasion quickly took an unexpected turn. Instead of leaving with the simple answer they had come for, Katie and Scott received the news that would change their lives forever: Their baby boy would be born with limb deficiencies.

In an instant, their world changed. Their son, Eli, would be born without his right arm and left leg. The news came as a shock, one for which neither of them was prepared. But despite the uncertainty ahead, they held onto each other, vowing to face whatever came next with strength and love.

Determined to give their son the best life possible, Katie and Scott wasted no time searching for the best care. When Eli was 4 weeks old, their search led them to Shriners Children's Greenville. Like many unsure but hopeful parents in their situation, they were filled with fear and skepticism, uncertain of what the future held. However, when they met with the care team, they found something profound. "Shriners Children's was an unbelievable comfort to us," Scott recalled. "They said, 'Just love your baby. This is what we do. We're here for you, and we've got you.'"

The overwhelming sense of uncertainty was replaced by comforting clarity. They suddenly had a direction a place where they knew Eli would be cared for with expertise, compassion, and a determination to help him live a full, joyful life. "We went home understanding that what happened to Eli wasn't so unique that they didn't know what to do. No, as they said, 'This is what we do, and we've got you,'" Scott explained.

As Eli grew from infancy to toddlerhood and now to a vibrant 10-year-old, so did his incredible progress and resilience. Eli has undergone five surgeries, each one a vital step on his path to mobility and independence. Alongside these surgeries, Eli has had seven different prosthetic legs, each one custom-made as his needs evolved. However, it was the addition of his running blade – "a game-changer," as Scott describes it – that truly transformed Eli's world. The new prosthetic allows Eli to run faster, move with more speed and endurance, and achieve the dreams he once thought were out of reach.

"Shriners Children's has shown us and him what is possible." Scott, Eli's father

With every stride, Eli's confidence has soared, and the once-uncertain future is now filled with limitless possibilities. His passion for sports, the cutting-edge technology provided by Shriners Children's Pediatric Orthotic and Prosthetic Services department, and the unwavering support of his family have ensured that Eli isn't just keeping up with the world around him – he is leading it.

Since age 6, Eli has been an unstoppable force in sports. His love for baseball began early; his passion for the game growing with each swing of the bat. By 7, he had taken up golf, impressing everyone with his precision and focus. But Eli's adventurous spirit didn't stop there. He became a fly fisherman, an archer, a skier and a swimmer – each new challenge met with the same tenacity and determination. Whether on the field, the slopes or in the water, Eli approaches every activity with an unstoppable mindset. "His spirit exudes confidence that is hard to put into words," said Scott. "Joy and tenacity," Katie added. "And with Shriners Children's, he goes far beyond our dream."

Eli's fearlessness isn't just about physical ability; it comes from a deep-rooted belief in himself. It's the confidence that no matter his differences, no obstacle can stop him from achieving his dreams. With every new pursuit, Eli continues to show that the possibilities before him are limitless. With each step he takes, every swing of a bat and every cast of a line, Eli continues to redefine what it means to be amazing, "and the care at Shriners Children's Greenville is helping him get there."
