Howdy Nobles, Ladies and Flatlanders, Well parade season is almost over for the summer and what a Fine Time it has been!!

Our Hillbilly Unit is actively recruiting for new members, so ifn' you have the heart of a Hillbilly and want to join us, yuen should be ready for FUN, Fellowship and a laid-back group of Nobles to spend your Alee days with. We are active in Parades and helping other Units and Clubs achieve their goals.

If you wish for your Club or Unit to have the Hillbilly Kuzzins Degree conferred, Get with us we will be a-wilin' to make that happen if you have at least 14 people (men and Ladies) to make it worth our travels. Men \$50.00, Ladies \$40.00!

Not too much to be Reporting as we only have 1 meetin' a month (1st Monday) in the next 3 month vs the 2 meetings a month we usually have (1st and 3rd Mondays in the JC Lewis buildin' Upstairs). Unless those Mondays fall on a Holiday or Stated sessions.

We hope everyone has a Grand summer with your Family and Friends, and everyone, Please be SAFE!

Keep our Shriner kids in thoughts and Prayers when on bended knee as well as our fellow Nobles and their Ladies as we press forward thru this year.

JT Dah Hillbilly - Peace Out!

Augusta Golf Unit

Hello from all from the ladies of the Augusta golf unit.

This is my first time writing for the golf unit but I wanted to share with all what a great unit this is.

Although small in number, they do a wonderful job sponsoring a golf tournament every year. I am proud and honored to be a member of this group of ladies that call themselves the Caddies.

Our Nobles work extremely hard every year to make this a successful fund raiser for this unit and the hospitals and many ways they help Alee and Augusta shrine club.

Oriental Band

Greetings from the Oriental Band! It's summertime, I can't believe it, but half the year is gone. The Spring Ceremonial dates have changed to June 20-21. Let's get those new Candidates. The Oriental Band is seeking new members; the more we have, the better. Many hands make light work. The Oriental Band is doing good, but we can be Great! Alright, Oriental Band men and ladies, we can do it. The Oriental Band has been parading and participating in the Alee Temple project and fundraisers. The Oriental Band is looking into some fundraisers to help the Temple, as well as the World Famous Oriental Band. Yes, Cleo is indeed for sale. Please help get the word out.

Thank you to the Bandmen who came out to support the Stokes family as pallbearers & Bandmen. 1st Lady Marian asked the Band to be Honorary Pallbearers, and to lead and play for the opening service. Please continue to pray for the family.

Please continue bringing cans to fill the trailer located next to Skidaway Road. The more we fill it, the more we can assist the Oriental Band and contribute. The Ladies of the Oriental Band have Fez cases, ties, and other accessories available. You can place special orders by contacting Cindy Hendricks at 912-663-2370 or Annette Perry at 912-308-2980. If you need any information, you can contact Terry Wright at 912-222-8356, Garry Hendricks at 912-429-1626, or any of the Bandsmen can help you. Prayers and thanks to our Military, First Responders, Doctors, Nurses, Shrine Children, and each other. Many hands make light work. We hope to see everyone out and about at the Temple. Let's come alive, Oriental Band, in 25!

Fraternally Yours,
Garry Hendricks

Wow this year if really flying by. We are excited for another successful Iron Butt ride. We had 14 riders and had a Total of \$30,391 for the hospital. We have several parades on the horizon with the 4th of July fast approaching. We urge everyone to get out and

enjoy life and most importantly stay safe. It is hard to believe we are already halfway through this year. If you ride a motorcycle and would like to join us for any of our rides, please contact any of the Iron Knights, we would love to have you join us, As always Keep the shiny side up,

Happy Father's Day!

By this time, the Clays for a Cause, a fundraiser Clay Shoot/Party held on May 31 is in the Books. Many THANKS to the sponsors, shooters, party goers and our own D2 for a successful event.

This month is busy with a Stated Session on June 9th at 7:30pm. This is important as we vote for candidates, discuss the State of the Temple and Celebrate the 25 and 50 year Nobles. We also have a Ceremonial on June 20 and 21st. Go online to aleeshrines.org and purchase your event tickets. Reminder, the tickets are not dinner tickets, they are event tickets and anyone attending must have a ticket. And then at the end of the month, we travel to Hot 'Lanta for Imperial. Call Colleen in the office about the room block.

Preparations are in the works for the Kingfish Tournament – get those sponsors and fishermen!

We would like to remind you that our meetings are on the first Monday of each month at 7:30 in the Dune Cat room located on the second floor of the JC Lewis Building. We need your involvement. It would be great to see you at the meeting.

Please keep our Troops, Children, Doctors, Shrine patients and their families, the Divan, and each other in your prayers.

Jesup Shrine Club

Well, it's been a busy month for the Jesup Shrine club, from a few Alee hillbillies making their selves known in Kentucky, to engagements, to fundraiser drawings, to a generous donation to Greenville Shriner Hospital.

So let's get it started first of all with a huge CONGRATULATIONS to our president Hunter McCrary, and his lady Kaitlin Parker on their engagement. Next Hillbillies Phil/Debbie Kay and Ken/Barbara Porter strutted their stuff at Pikeville Hillbilly Days in Kentucky. The guys thoroughly enjoyed parading with about 200 other Shriners from across the US. Next, the ladies auxiliary had their drawing for the hand sewn Shrine quilt at our May meeting and the winner was Dawn Carey. And the ladies want to thank everyone that supported us in this fundraiser. The hillbillies had a great time at the Glennville Sweet Onion Festival Parade. The rain held out enough for us to get through the parade and the cart drivers thoroughly enjoyed playing and sliding around in the rain puddles. Did we get wet? YES! Did EVERYONE that supported the Tattnall club enjoy it? ABSOLUTELY!!

And now for the big news of our May meeting, a paintball company, GTF PAINTBALL, out of Yulee, Florida, owned by Mr. Robert Keeling (nephew of Richard and Lillian Burns) had a charity fundraiser recently. In which he does 3 times a year for different organizations. Just so happens, the most recent one was for the Shriners. The money raised at that fundraiser was in the amount of \$10,199.

The donation was made to the Greenville Shriner Hospital thru the Jesup Shrine Club by Mr. Keeling. There are not words sufficient to express the magnitude of our gratitude for such an incredible donation-a donation that will greatly help our doctors in their work to better enrich the lives of our Shriner kids. AGAIN, THANK YOU MR. ROBERT KEELING (GTF PAINTBALL) from our club and Greenville Shriner Hospital.

Reminder-We have the boat poker run on June 6th and 7th at Lake Blackshear. We hope everyone can come out and support us and bring a boat and ride the waters.

And finally, we are looking forward to our Potentate visit next month.

Lady Debbie Kay

Tattnall Shrine Club

Greetings Nobles,

As we are now into the warmer months here in South Georgia, we hope everyone is doing well and enjoying some sunshine and outdoor activities.

We were proudly able to send a donation of \$40,000 to the hospitals from our annual mudbog this year! This was our first big event, and everything went off without a hitch. Thank you to all of our sponsors and club members for making this happen.

Our next big event will be our 3rd annual TSC Birdies at the Beach. We will be hosting a much larger field of players this year. If you are an avid golfer, or someone who just wants to have a fun filled weekend get with us to get your team signed up. We are doing what we do and making this event bigger and better this year. We will be posting updates on the Birdies at the Beach Facebook page.

We have also had multiple families reach out to us on the status of their children who are being treated by Shriners. I am proud to say that every family has had nothing but good things to say about the care their child is receiving!!!

All of this is such good news and why we work so hard but please remember that all of this is secondary to us being brothers. The bond of brotherhood and fraternal frivolity is the foremost reason for us to exist. Raising money is secondary. Brothers don't lose sight of this. We all get wrapped up into fundraising and event planning. Without the fraternal relationships we have, we will fade out of existence. We must all do our part to keep the brotherhood alive and well.

We hope everyone has a great first part of the summer!

Augusta Ladies Auxiliary

WOW, hard to believe that 2025 is half over already. Time certainly does seem to fly by once we reach a certain age!

Our auxiliary held a yard sale on Saturday, May 3, 2025. We had a lot of items and a lot of bargain hunters that shopped and helped to make our fundraiser a success.

A huge thank you to all the ladies that got up early and came out to help with this event.

It definitely takes all of us to be successful and we should always try to support any events that may be going on at our Shrine club.

I understand that Waynesboro Shrine Club held their annual BBQ the same day and was most successful. Congrats to all in Waynesboro for making it a success.

Just a reminder to members of the Augusta Shrine Club, come out and support your club, your nobles, and your auxiliary. We should all remember why we work to support our hospitals and the children that we help. As with any organization, there is no room for pettiness.

May God continue to bless each of you and as always, keep each other in your prayers.

CHANGING LIVES IN '25!

Temple Ladies Auxiliary

Hello June, that was fast. We went from cold to hot. Spring was too short for me. For our May meeting we celebrated Mother's Day with our annual luncheon. It was a little different this year, we decided to honor Alee Roadrunners. They were invited to join us at our luncheon. The Roadrunners are very dedicated Nobles that drive our Shrine Children to our Hospitals for appointments. A presentation was made of The Albert Nelson Memorial Roadrunners plaque in memory of passed members of this elite group of Nobles.

Our Auxiliary goes dark until September. But not so dark, we will still be having our Texas Hold'em Poker Tournament fundraiser on July 12th in the Bill Porter Room. Come join us for a good time.

Our membership is not limited to what Club or Unit your Noble is a member of any Alee Noble's Lady is eligible to join our fun group of ladies. Our mission is to support the Temple, and we do this by planning and organizing the Annual Children's Christmas Party. We hope you will consider visiting with us at our September 2nd meeting at 11:00 am in the Bill Porter Room and see the great group of ladies we have.

Happy Birthday to Lady Shirley Boyles, Lady Pat Cooper, Lady Colleen Humphries and Lady Tamie Patnaude. We wish an awesome day!

I will look forward to seeing all our members in September. Hope you have an awesome summer. Be safe. Sending Hugs!

Masonic Youth

"A HUNDRED YEARS from now it will not matter what my bank account was, the sort of house I lived in, or the kind of Car I drove. But the world may be different because I was important in the life of a boy."

The DeMolay Chapters and Rainbow Assemblies that are within the Oasis of Alee are seeking new members to become of their respective Youth organizations. Membership is the life blood of these traditional masonic-affiliated Character-building youth organizations. Without active participating members they cannot survive and be of service to the Youth within the Oasis of Alee. Many Masons seem to forget that these Youth organizations are the first exposure to the Masonic Fraternity that many of these Young peoples have to our Fraternity. Plus, both of these Youth organization have ceremonies that can be used as a program for a Meeting as well as assist a masonic entity with a Fund raising or other such project.

It is my humble opinion that in their own way the Young men of the Order of DeMolay, and the young women of the Order of Rainbow, are the future of not only of Freemasonry, but of our Nation and the World. With that thought in mind, I feel we, as Masons, should do what it takes to invest in these Youth organizations and support them in any form that we can.

I encourage the Nobles of Alee to reach out to the DeMolay Chapters and Rainbow Assemblies nearest you and offer any help and/or assistance that you can give. If I am not wrong the following Youth Organizations are within the Oasis of Alee:

Georgia Rainbow:

Savannah Assembly #1: Mother Advisor – Mrs. Deva Underwood savannah.assembly.10@gmail.com

Freedom Assembly #38: Mother Advisor- Mrs. Kelley Flynn momfreedom38@gmail.com

Please be advised this contact information is current as of March 10, 2025.

So let us in the upcoming year do what it takes to make these traditional Masonic-affiliated Youth organizations prosper and be successful.

ALEE STRONG!

CHANGING LIVES IN '25!

Illustrious Potentate's Message

Hello Alee,

Well half of the year has gone and has been Great for Alee. Units and Clubs have showed up and showed out for fundraisers and parades.

Congratulations to the Iron Knights, Tattnall Shrine Club and Jesup Shrine Club for their donations to the Hospital. With that being said I would like to thank Tim Mercer, the Road Runner Coordinator and the rest of the Road Runners, for a job well done.

Looking forward to the ceremonial on June the 21st. If you have any petitions to get them turned in let's, make this a great time for our new nobles and their ladies.

Congratulations to Swainsboro Shrine Club on an awesome remodel on their Club building.

Remember your Blue Lodge and the Rites and a Brother while on a bent knee. God Bless.

Fraternally yours,
Danny Fries Jr.

CHANGING LIVES IN '25!

First Lady's Message

It was so good seeing all the Nobles and Ladies participate in parades this season. Even the rain didn't stop the Nobles, Ladies and spectators from showing to the parade. Thank you to everyone who participated in parades rain or shine!! I want to thank all the Shrine Clubs that we visited for the great food and decorations: we enjoyed our visits this past month and truly love getting to experience all the Club's hospitality. Ham Jam was a great success, and we are so appreciative to everyone who promoted it and attended. It is a great time celebrating with music and food while raising money for a great cause. Congratulations to all graduates and their families!

Lady Shelia

The Easter Bunny made several stops this Easter - Alee for our annual egg hunt and Scottish Rite Clinic. Not all parades turn out as expected sometimes weather or the need for a tow. Parades are still FUN. Hinesville held a billiards tournament - Winner, Winner.. Lots of money raised by Tattnall Shrine Club's MudBog and the Iron Knights Iron Butt Ride. The ride ended at Greenville Hospital. Great Job! Roadrunners were honored by the Temple Ladies Auxiliary at a luncheon. Several Hillbillies attended Hillbillies Days in Kentucky. Tooter Boan receiving his 50 year plaque. Wow! 50 years!

Hello fellow Nobles and Ladies. Your Divan has been busy in May visiting Swainsboro, Quint and Bryan County and Effingham Shrine clubs and enjoyed the fellowship. Thank you all. The Alee Sportsman's Banquet is nearing, and we are looking for donations for the auction. Please contact a Divan member for donations. The Ceremonial is coming up on June 20 and 21st so get candidate petitions in so they can be voted on at the June 9th Stated Session. The Golf tournament is on Friday the 20th and they are still looking for teams.

If I can ever be of help to any Noble, Club or Unit, please give me a call, text, or email. Thanks, and we'll see you soon.

Fraternally yours
G. Ray Christian
Alee Assistant Rabban 2025

High Priest & Prophet

I hope this letter finds everyone well and in good spirits. I would like to think everyone for their thoughts and prayers during my last little episode of Under the weather. As many of you know I've had some stints put in and the doctor seems to think this should solve most of my problems with giving out a breath and being tired.

June is here and the fun for the summer vacations have started I beg you to please be careful and enjoy yourself and do not let the Heat get you.

As you know my responsibility, along with everyone else's responsibility, is membership. Please make sure you pay your dues, and you encourage the other brothers and our great fraternity to pay their dues.

Please keep in mind the June ceremonial is the 20th and 21 first of June. Please make sure you get your candidates' paperwork in on time so they can be voted for at our next stated session. I would like to thank everyone for what they do for the burn and crippled children that is why we are here and we need to continue to keep them first

Thank you. God bless America and bless you.
Larry and Lady Lib

Young Burn Survivor Thrives Following Treatment at Shriners Children's Boston

Hannah's care team at Shriners Children's Boston is crediting her favorite activity, aerial gymnastics, for helping her recover from burn injuries sustained as a toddler.

"The staff at [Shriners Children's Boston](#) has been impressed by how much her hands have changed without surgery," said Hannah's mother, Nicole. "Aerial gymnastics has caused Hannah to use her hands, stretch the skin and keep it loose along the way." Hannah's medical team is applauding her interest in gymnastics, which is keeping her active and helping the healing process.

When Hannah was a year old, she burned both hands after crawling up to and touching a glass-fronted fireplace. Nicole remembers how overwhelmed she and her husband, Joshua, felt when they first brought Hannah to Shriners Children's Boston. She had been seen previously in another medical facility where her parents were told that Hannah would likely need surgery. When the family arrived at Shriners Children's Boston, they talked with Hannah's care team about developing a treatment plan that would reduce or eliminate the need for surgery if possible. Nicole and Joshua were relieved after it was determined that she would not need surgery.

Hannah's parents credit the remarkable team at Shriners Children's Boston for helping them through the treatment process. "Each appointment has been amazing. The staff have been so sweet with how they have treated Hannah," said Nicole.

Nicole and Joshua said [Robert L. Sheridan, M.D.](#), chief of staff and director of the burn service, made a particularly positive impact on Hannah. Initially, Hannah was fearful of doctors, and Nicole said Dr. Sheridan helped bring a sense of calm. "Dr. Sheridan has always kept things light and simple, so Hannah doesn't get scared or overwhelmed," said Nicole. Now, Hannah looks forward to her trips to Boston.

Dr. Sheridan shared that one of his favorite parts of working at Shriners Children's Boston is interacting with patients and their families in the outpatient clinic, which is where Hannah has had her appointments. "I like the personal connections you make. I enjoy seeing the kids in follow-up, seeing how they're doing, and how school is going," said Dr. Sheridan.

Doctor Sheridan has always kept things light and simple, so Hannah doesn't get scared or overwhelmed.

Nicole, Hannah's mother

Nicole explained that the Shriners Children's Boston staff has been there every step of the way to help Hannah "with plastic braces to stretch her hands, with gauze and lotion, and with advice and encouragement that has helped us feel confident in how we treat her burn injuries."

Nicole is offering words of advice to families navigating their journey at Shriners Children's Boston. "Share with your doctor and team how much you want to work together. Help them see how invested you are in your child's recovery, and willing to do whatever it takes to make it possible," emphasized Nicole.

One of the highlights of Hannah's time at Shriners Children's Boston is interacting with the [Shriners](#) who volunteer at the hospital. "The Shriners would make the patients in the clinic waiting area laugh, they gave out stickers and helped our children not be scared during such a tense time," said Nicole. Nicole and Joshua adopted Hannah and her twin sister, Rebekah, when they were toddlers. She remembers how much both her daughters loved seeing the Shriners who "always had such sweet hearts and kind smiles at the ready, whenever we showed up."

In Hannah's free time, she remains active with aerial gymnastics, an activity that brings her joy. "She is constantly doing cartwheels, back and front walkovers, and using aerial silks, the gymnastics bar and rings," said Nicole.

From a Patient's Mom: Our Family is Forever Changed!

By Ivy, Dot's mother

My name is Ivy. My daughter Dot completed a round of serial casting to fix her toe-walking with [Shriners Children's Portland](#), and I need to tell you how truly exceptional they all were.

Let me give you just a bit of back story. My daughter and I traveled into the hospital from Boise, Idaho, for serial casting and physical therapy sessions. We exhausted every resource locally before finding Shriners Children's, and my family and I all believe they were heaven-sent.

Our main physical therapist was Michelle Foss, PT, D.P.T., and I genuinely cannot say enough nice things about her. I found out through the grapevine that there was hesitance from other employees to take on my daughter's case because we would be traveling so far (which is a reasonable concern!). Michelle advocated for us, believing in us to make the appointments. She was working on our behalf after only one phone call!

Once we met Michelle in person she made even more of an impact. My daughter is 5 years old and was very shy and nervous about the whole process. When we met Michelle, she noticed my daughter's hesitance and immediately sat on the ground to talk to her and make her feel welcome and safe. Even going as far as to peek around my legs to talk to her while she 'hid'. Michelle never once lost her patience or made us feel rushed, and explained everything, slowly coaxing my daughter out of her shell and turning what could have been a stressful first appointment into a very positive experience.

Every appointment was like this with Michelle. Her genuine care and compassion was unending, and she made sure every appointment was a positive one where we started and ended smiling and laughing. She was incredibly thoughtful of us, and any opportunity she had to make it easier for us she took with enthusiasm. I even received a call from her on her day off, because she had noticed a conflict in our scheduling and called me from home to make sure we had a resolution before the following week's casting.

Not only was she an absolute delight as a person, but her skills were obviously top-notch. My daughter made more improvements in the few months in her care than in the year we spent previously with multiple other therapists. She had every answer to every question, was always thoughtful in her responses but honest, and left us with a full understanding of where we were in the process and where we were going. We traveled literally thousands of miles during this time, and Michelle made every trip worth it. And please note, I have never met a more humble woman than Michelle. If you ask her about this I am sure she will try to deflect and tell you it was everyone else's hard work that was the key to our success. She is only partially correct. I cannot thank her enough. She truly made a difference in Dot and our family's lives.

More About the Team

Rehab aide Matt Leman assisted Michelle in the casting process. He was also absolutely wonderful to work with. He has a kind patience that fills the room, and my daughter was always delighted to work with him. He went the extra mile for us as well. One morning he came in very early and well before his shift started to ensure my daughter's casts were removed to measure her splints. We found out he rode his bike to work in the dark to be on time, so we were ready for her appointment. Even when we didn't have an appointment with him, he always found a reason to seek us out when we were in the building and said hello. When my husband joined us for the final removal of her casts, Matt took the time to chat with my husband, making sure to answer every question and engage with him personally and professionally. This meant the world to us as it made my husband feel engaged in the process.

Finally, we also had the delight of working with Deedee Dolp, LPTA. She was a ball of sunshine on a long tiring day! Deedee was always so kind and uplifting, she left us smiling when we left. She was positive, uplifting and ever-encouraging to my daughter. She ensured my daughter was never uncomfortable, and always explained what she was doing to not just me but to my daughter too.

Both she and Matt were kind personally, but also, just as with Michelle, their skill and proficiency made the trip worth it. My daughter truly thrived with the care the team provided.

In short (or not so short), the team at Shriners Children's Portland is truly remarkable and I hope this makes its way into the hearts of any who will read... the 2025 version of shouting it from the rooftops. I have traveled through a lot of medical establishments in my lifetime and never once have I walked away so impressed in every capacity. I just wish they were closer to me!

I'm so grateful to be a part of the Shriners Children's community, their team has made more difference in our family than I can articulate. My daughter now is able to walk flat-footed, and stand still while working on a project, neither of which she was able to do before. She is healthy and thriving with her healthy feet!
