Waynesboro Shrine Club

Our members are preparing for the Waynesboro Shrine Club's Farm Festival to be held on Saturday, September 14, 2024. On behalf of our President, Jimmy Atkins and our club members, I would like to invite all Alee Shrine Clubs and Units to come and participate in the parade and enjoy some good food, fun and fellowship. We will be providing more information as time gets closer. If you are interested in being a vendor, please contact Lady Melissa Damon at (315) 345-6362. If you are someone you know would like to participate in the entertainment portion, please contact Lady LeAnne Bowie at (706) 945-7376.

Congratulations to the Ladies of Waynesboro for their successful Pound in a Purse event they had. I understand it was a fantastic time with some great food and plenty of laughs! On behalf of Lady Melissa and the Ladies Auxiliary, thank you to all who came to make it a great event!

As we need our membership to grow in our club, President Atkins would like all Nobles and Ladies to seek out those Masonic brothers who would make a great Shriner and speak to them about becoming a member of the world's greatest philanthropy and our club. Membership is a large part to the success of Alee Shrine and Waynesboro Shrine Club being around for many years to come.

Nobles and Ladies, we ask that you keep those friends and relatives in your prayers that may be dealing with difficulties. This world has gone crazy and prayers do work!

If you have not paid your 2024 dues, I will be glad to accept them at the next meeting. Should any Noble needs help with paying dues, please contact our secretary, Ill. Sir Clyde Bowie at 706-945-7377 to get your dues paid. Brothers, I always say, if we don't know it is broken, we can't even start to fix it.

Please stop by and see what's going on in the Bird Dog Capital of the World and check out our little club. Come sit with us and enjoy some good food and fellowship! We eat at 7:00pm and we start our meetings by 8:00pm. Shriners Children's Hospitals Making Kids Well Over 100 Years.

Temple Ladies Auxiliary

Hello Ladies of Alee!

As always, we invite all Shriners' ladies to be part of our Auxiliary. We meet the first Tuesday of each month in the Bill Porter room at 11AM. Our next meeting will be on September 3rd. We hope to see you there! We are all looking forward to getting back together then.

And don't forget SASA in Myrtle Beach! It's so much fun and all are welcome! And a great way to meet ladies from other units and clubs. We don't have to just stay in the same groups all the time. You can learn so much from others – young and old.

We hope to see you soon!

Til next time,
BS

Alee Shriners Past Masters' Association

Fun History Facts: Alee Knights of Mecca was founded in 1973, allowing us to celebrate over 50 years. If you joined before December 31, 1974, you were a Charter Member. The original purpose was to build a closer fraternal relationship with all Masonic lodges. To emphasize that an intimate connection between interest in general, and to truly depict the serious, solemn, sober thinking, working side of Shriners in particular. To build a membership in all branches of masonry. To foster a public relations program to improve the image of the fraternity at all levels. Dues were only \$5 (This is important to note later in the article).

A Tip of the FEZ to past Emeritus Treasurer of the Knights of Mecca, Noble Tom Anchors may he rest in peace. As we all know, death is not the end, but simply the passage into the Celestial Lodge, where all our labors will be ceased, and we will find peace and rest that will carry us through a boundless eternity.

We held our meeting on August 29th at Carey Hilliard's on Hwy 21. More info next month!

Dues to join remain at \$5 per year or \$100 for Lifetime!

Happy Labor Day!

Well, "Debby" put a little damper on the August meeting AND the 5th Annual Kingfish Tournament. We had to postpone but Noble President Aaron recalculated, rearranged and rescheduled the event. I'll have to let you know the results later because as I write this, we fish the day after the article is due. And I am not going to get on any list with Lady Cheri. Lady Cheri does a good job and has a hard job of wrangling us all in for our FEZ articles.

If you were not there or haven't heard, the Children's Dance was a success. We didn't have as many children as anticipated but the ones that did attend had plenty of food, snacks, and laughs. Tip of our FEZ to the Dune Cat Ladies Auxiliary. They had a good turnout as did the members of the Dune Cats. And all pitched in to make it a success.

"Debby" also affected the golf tournament too. Noble Dave Armstrong II and III Sir Freddie Humphries Jr are chairing the Scottish Rite "We Care" for Rite Care Golf Tournament, rescheduled for September 28th at Bacon Park. Bacon Park had to change the date or golf and swim. Looking for teams and sponsors. Thank you, Dune Cats, other Units, and Clubs for the sponsorship so far.

We would like to remind you that our meetings are on the first Monday of each month at 7:30 in the Dune Cat room located on the second floor of the JC Lewis Building. We need to get your involvement. It would be great to see you at the August meeting.

Please keep our Troops, Children, Doctors, Shrine patients and their families, the Divan, and each other in your prayers.

Speedy

Effingham Ladies Auxiliary

Hello September,

We want to start off by thanking everyone for your support in the Effingham Shrine Club 8th Annual Savannah River Poker Run. It was a great success.

We hope that everyone survived Debby without too much damage. Prayers for all that did have damage. If anyone needs help, please reach out.

Ladies, we meet every 4th Tuesday of the month. We provide a meal for our Nobles and meet afterward. If you are not a member, we would love for you to be a part of us.

Hope that everyone is planning to go to Myrtle Beach, Sept 19th -21st, for SASA. This is a great time to meet other temples and make lifetime friends. The parade is a fun event. Remember every Noble needs to register at southatlantica.net. \$20. Per Noble and no charge for their Lady.

We wish everyone having Birthdays in September a very special day and have many more.

As always please remember our Shrine Children, and medical personnel in our daily prayers. Also, our Country, Military, and Emergency Personnel.

Until next month,
Lady Donna

Jesup Shrine Club

Greetings from the Jesup Shrine Club, I am writing this article from the International Hillbilly Convention in Baltimore Maryland! Oh, what a time we are having! My traveling partners are OG Larry Brantley and Lady Lib Lewis, Noble Phil Kay and Lady Debbie, and of course Noble William Bennett. The first leg of our trip, we stopped in at the Greenville Hospital! What a beautiful hospital it is. We are thankful and blessed to have been able to stop in and see it. We safely arrived in Baltimore late Wednesday night and events began on Thursday. William and Debbie both walked away with new titles of Hillbilly Fashionista in their respective categories! We enjoyed a nice barbecue dinner and of course all the hospitality Boumi Temple had to offer. I have met the International Hillbilly Queen and people from Canada, Ohio, Kentucky, Texas, Maryland and more. Events continue through the weekend, and I will have much more to talk about in the next article so stay tuned!

The Jesup ladies and friends went to the Waynesboro Shrine Club for the Pound in a Purse event the Waynesboro Ladies Auxiliary sponsored. We had 14 ladies who attended, and we were escorted by OG Larry Brantley. We enjoyed the tea and refreshments, they were delicious! The auction was fantastic, and we came home with many purses. Thank you, Waynesboro, for your hospitality, we appreciate you! Around the club, the Ladies Auxiliary, led by Lady Kacie Blanton, has been making many improvements to the ladies meeting room. Lady Debbie Kay had painted the room! We have new art on the wall, new chairs and are in the process of acquiring a conference table. Thank you, Lady Kacie, for your leadership and thank you to all who have played a part in making our meeting place a more beautiful and comfortable place to be. That's all I have for now. We are looking forward to SASA and being with all of our friends soon.

Best regards,
The Jesup Shrine Club

ALEE DRIFTERS

Alee Drifters Reflect on Community Spirit During Tropical Storm Debby

As Tropical Storm Debby passed through our area, the Alee Drifters hoped that all our members and their families stayed safe and secure. It was heartening to see the Shriner's family come together, demonstrating a strong spirit of support and unity to ensure everyone's safety during the storm.

The way our community banded together in times of need is a testament to the strength and resilience that characterizes our organization. Witnessing everyone reach out to check on each other, offer help where needed, and ensure that no one was left to face the challenges alone was truly inspiring.

As we now look forward to the routine of daily life resuming, including our kids heading back to school, we can breathe a sigh of relief. With a wink and a smile, we can say we're marking ourselves "safe" from an adventurous summer of keeping up with our energetic youngsters. The start of the school year offers a welcome return to normalcy and, perhaps, a bit quieter at home.

However, let us not forget the children we serve and their families during their challenging times, especially those who cannot return to school because they are dealing with illnesses. They remain in our thoughts and efforts, and we continue to support them with unwavering commitment. These brave young ones and their families inspire us to keep pushing forward in our mission.

Let's carry forward this wonderful community spirit into all our activities this fall, supporting each other in all our endeavors, whether in times of crisis or calm.

Fraternally Yours,
Brother Christopher "TBD"
Epps, Secretary, Alee Drifters

Tattnall Shrine Club

Greetings Nobles!

As we slowly draw summer to a close, we all here at TSC hope everyone enjoyed a vacation or some leisure time during this hot hot summer! We also hope that everyone impacted by the recent storm has fared well. There are many in our area that were hit hard and have had considerable losses. The infrastructure damage alone in our area was severe.

We recently had our annual hunter's safety course at our club. This event is one of the best things we do each year. To see all the smiling faces gathered around us is a blessing in itself but having them learn how to safely use a firearm and other hunting equipment is the best gift for all of us. We all pretty much come from an outdoorsmen background and to be able to help the next generation get involved with the outdoors is an awesome experience. Not to mention, helping raise awareness of the proper handling and usage of firearms. This helps us solidify our emphasis on our 2nd Amendment, and how important it really is to ensure life, liberty and the pursuit of happiness.

Our 2nd Annual Birdies at the Beach is just a couple weeks away! We are ready for another great event and will look to continually make this bigger and better each year. The improvements we have made this year will ensure that this is a yearly event for us.

Our 2nd Amendment Celebration Banquet is steaming right along as well. This too is one of our major events each year and requires all hands on deck to pull this off. This fundraiser is our backbone to what we achieve each year for our cause, and we are doing our best to push this event to its limits as well.

Our mudbog is still scheduled for Oct. 5th. Please come out and enjoy the fellowship with us if you can. Good news is it should be much cooler by then!!

Now that we have begun our busy season, I would like to take a moment to thank each and every member of our club for what they bring to the table. Sure, we have quarrels and get angry with each other, but for a group of men to come together in unison for what we believe is truly amazing to watch. We have people who are in the daily grind, ones who help behind the scenes, and of course the showboats that love to make everyone laugh at parades. It takes every type of member to make a successful club. I know every member doesn't come to every meeting, but on behalf of the club, if you haven't come to a meeting in a while come see us. Your opinion, statement, and vote counts just as much as the ones who come to every meeting. If you would like to come visit our club, we still meet the first Thursday of each month. We are TSC strong, but we can always be stronger. We have a lot to live up to in order to keep our status as the #1 Club in Alee but we have nothing but lofty goals in the coming years!!

Have a great month Nobles!
Dustin "White Chocolate" Nail
TSC Secretary 2024

We are winding down the dog days of summer, but it is still hot and humid. We are dodging Tropical Storms and the resultant flooding from the same. To all who have been impacted by the flooding from TS Debby, our prayer is that you are back to normal with a minimum of damage.

Early August was our annual Beach Social on the South end of Wassaw Island. We had a pretty good attendance, so thanks go to Re-run McPipken and Larry Corey for putting it together. Thanks guys. Re-Run received a 9.5 score from the Russian judge who said he would have scored higher, but John did miss his dismount from the bow of his boat. Fortunately, almost everyone was able to see and experience this. Obviously, John has some gymnastics background, or she could have been injured. That would have been hilarious!

We did miss No-Show Shiver who pulled a Weatherman stunt and tried to get the social cancelled. He may never live this down. He is in hiding as I write this and very rarely seen in public.

We just completed our major fundraiser, the Sapphire Bullets of Pure Love concert and dance. While not as well attended as in past years, everyone who was there had a great time. Thanks to Chairman Brian Dixon for his hard work getting this organized. Thanks to all who helped, especially our ladies. Thanks to the members and ladies who came early to help with decorating and then stayed to help clean up. Especially, the guys who came back Sunday morning to finish cleaning up.

Bill "Dad" Mewborn had a great time as did others. No-Show Shiver did make an appearance but may not remember that he was there. The same for Re-run.

Brian told me he was trying to lose some weight. He said it would be easy if vegetables smelled as good as bacon.

Bobby "The pAnguin" Staples told me he celebrated last night with a couple of adult beverages, Metamucil and Ensure.

We had a Gun Show to work to raise monies for the Children's Hospitals on August 17 & 18. Thanks to John McPipken for organizing and to those who work the shows. A good chance to meet people who really appreciate our work. Please volunteer to help.

Ceremonial is coming up in a few months. Director Brian Dixon has plans to make it a good one, but we need everyone's help. Please don't make Brian beg. It's not a pretty sight.

Until later,
Ol' (Used to be) Sparky

Alee Anglers

Fellow Nobles,

The Anglers hosted their first social of many on July 13th, at Fishtales in Richmond Hill. A great time was had by all, especially the kids. Next up is our social for the kickoff for football season on August 31st. *See your V.P. for details...GO DAWGS!

The Anglers FREE Kids Fishing Derby presented by Creekfire RV Resort is fast approaching. Saturday, September 7th, registration at 07:30 with fishing from 08:00 until 10:00. We will host 3 age brackets: 0-5, 6-10, & 11-16. Awards will be presented for the biggest and most fish for each age group. Spread the word, the more kids the better. See our Facebook page for the flyer and information. This event is to pass on the love of fishing to the next generation. There is not much better than seeing a child get excited with a fish on the line and the parent smiling with pride. We hope you all can join us. Discounted camp sites available to stay, and \$5 access to the pool all day.

We also be holding a craft fair at the temple in November, with more details to follow, see Pres. Bryce Davidson for more information.

Until then, we wish you all tight lines, fair winds, and following seas!

Fraternally,
V.P. Brian Cribbs

Mobile Unit Classics

Greetings and Salutations,

There are parts of the countryside that awaken each day with a morning mist which has settled thickly during the dew falling night. Through it the trees have a waiting look. Hills seem further off than what they are. Cattle look motionless as they graze. White farm horses move and turn in stately unison. Coyotes howl for their morning gathering and break the deathly silence of the darkness. In the distance is another familiar sound of a hoot owl. Everything is waiting for the sun. Slowly the morning mist starts to thin out and begins to rise from the ground. Each horse and cow stand in a clear outline. The pasture where they browse shows the pasture for what it is. Most know the process each morning as this as "burning off", which means the sun has gone to work.

While the burning off effect is taking place, members of the Mobile Classics Unit converged upon a quiet and motionless ALEE temple. The silence was broken with the turn of a key and the draped security chain clanging to the frame of the entrance gate. As the gates were swung open our members entered as if being a well-trained SWAT team ready to take on their mission. Within a matter of hours our yearly Car Show was starting to take form.

One by one we received each entry through the gate. Each entry was directed to drive onto the red carpet for their photoshoot session. This made them feel like Hollywood had come to the Temple and this was their moment. Each was directed to their location and would remain until judged. The Temple field was filled with cars, motorcycles, and trucks representing many decades.

As the day progressed so did the heat of the sun. Music filled the air with sounds of the Mason Jarr Band. With each song they sang and played showed the true ability of these artists. Before all the official festivities began Miss Tybee-Haley Raymond stepped to the microphone for a beautiful rendition of the National Anthem. The entire field was filled with silence in awe of the vocal timber that we were witnessing. With a larger-than-life American flag hung in the background and the angelic voice of the National Anthem being sung in perfect pitch, made for a truly patriotic moment. This was not the only thing the MCU requested of this beauty queen. Later during the event she, along with Miss Savannah-Bailey Hagins, was called upon to assist with Trophy presentations.

It is very hard to encapsulate the entire day into one small article in the Fez. However, I would be remiss if we didn't mention a few members of the MCU that were not able to attend and dearly missed. Lady Ernestine Klopp, Lady Glenda Claxton and Lady Dianne Gaudry are recovering from recent injuries and surgeries. Noble Bill Barrow, Noble Bill Roberts, and Noble Roger Wright, are also in our prayers as they battle with their conditions.

The 2024 car show is in the books. The day ended as quickly as it started. The last car out returned the Temple back to a silent state of existence. We look forward to next year when for our next ALEE Mobile Unit Carshow 2025

Changes in our articles have been made, as Tampa continues changing the way we collect and maintain data on the progress and performance of our hospital. Below you will find some important numbers compared from 2023 to now.

As of June 2024, the Nobles and Ladies of Alee Shrine donated a total of \$30,357.00 to Greenville. The members and ladies of Alee continue to amaze us all, with the generous donations made to Shriners Children Greenville surely make it another record breaking year. As of June, the 18 temples which support Greenville, has donated a total of \$771,824.00 to the hospital. Shriner Children's Greenville has 18 of the greatest Shrine temples in the world supporting our mission.

The dedicated Nobles and Ladies of the Alee Road Runners have made 26 trips safely to Greenville as of July 26, 2024. Thank you again for your hard work and dedication to all Shriners Children's Hospitals, patients and Alee Shrine!

Noble and Ladies, please put the 2025 Shriners Children, Greenville Hospital Days event on your calendars. The event will be held on Friday, March 7th and Saturday March 8th, 2025. Please make your plans to attend next year as we would love for you to come visit Greenville and get a better understanding why Shriners do what they do! Noble Hutchinson and I, look forward to seeing you there in 2025!

Here is some important information on our International Patient Program. Our hospital provided 3 surgery cases for international patients in Greenville. Greenville has provided 36 inpatient and 68 outpatient surgeries for International patients so far. There are 12 International Patients currently in Greenville. We have 8 families utilizing services at the Ronald McDonald House of Charities during their treatment. Nobles and Ladies, I cannot give enough praise to our staff, for all the hard work and dedication they have for all of our patients and their families!

Calling all Alee Shrine Clubs and Units, we continue to look for craft shows, other events and outlets to set up a booth to hand out pamphlets to advertise the services offered by Shriners Children Greenville and the transportation services provided by Alee Shrine Road Runners. If you can, please get us the name and number of a contact person at the event who can assist us to reserve a spot at the event.

Your Hospital Representatives will have a table set up the First Annual Arts & Crafts FEZ'-TIVAL to be held on August 31st and September 1st at the Toombs County AG Center located at 523 Quint Shrine Road Lyons, Ga. 30416. We will be handing out pamphlets to let people know what Shriners Children Greenville has to offer. This event is sponsored by LOSNA Aziza Court No. 108. I want to thank Aziza High Priestess, Dana Johnson and Noble John A. Johnson for helping us get the word out about Shriners Children Greenville. Come out and see us!

Noble Hutchinson and I would be honored to make arraignments for a club or unit who would like to make an in-person donation to the Board of Governors or have a member of our donor relations team speak at your club or unit. Please let Noble Hutchinson or myself know so we can get the details worked out for your event.

Noble's, on behalf of Board Chairman, Most Worshipful Brother Bobby Simmons and the entire Board, we want to thank each of you for all the support Alee Shrine has given Shriners Children's Hospital Greenville and look forward to your continued support!

Respectfully Submitted,

Dune Cat Ladies

Happy Labor Day – Safe travels to all!
We have been BUSY!

The Alee Children's Dance sponsored by the Alee Dune Cats and the Auxiliary was awesome. THANKS TO ALL that attended. If you couldn't make it, you missed out on some shaking booty fun! This is a BIG project, and many hands made light work. I was overjoyed with the turnout of Ladies helping prepare the food and dressing up in costumes. It was a long day but a fun day. We didn't have as many children as we anticipated, and we feel it being summer with vacations may have had something to do with the turnout. If asked again, we will host the dance in September when school is back in session.

A shrine patient's grandmother came up to tell me that her grandson doesn't dance, but he has not stopped smiling watching others have a good time. I received many emails, voicemails and texts from Shrine families, patients and Nobles/Ladies on how much fun their children had and how exhausted they were (in a good way).

The Dune Cat Ladies Auxiliary would like to thank the Nobles, Divan, and Past Potentates that came out and helped set up, dress up and clean up. We also THANK YOU, the Dune Cats, for initially voting for us to put on the dance and they would cover expenses! A little bird tells me, you will be asked again for next year!

We had two liquor baskets and a small money tree at the Dune Cats 5th Annual Kingfish Tournament. We thank the Dune Cats for giving us approval to host the fundraisers and Noble President Aaron Sauls for helping us out.

God Bless our troops, Shrine patients, Doctors, Nurses, Hospital Staff, Roadrunners, and YOU!
Lady Colleen

First Lady's Message

Hello Nobles and Ladies,

August was such a busy month for Alee Shrine. Due to the weather, many events had to be rescheduled. Check the Fez or our website to see these new dates. Carey and I pray the weather didn't have major impacts on your family and homes. Hope everyone had an enjoyable and safe Labor Day!

I have seen many photos of kids heading back to school! I've watched many of these kids grow up over the years. I hope each one has a great year!

Carey and I attended the Summer Sizzling Car Show! Thanks to the Mobile Classic Unit and the Rainbow girls who worked hard on this event. The cars and the heat were sizzling!! Our annual auction was also a great success.

We attended the Hasan Temple Potentate's Ball in Albany. Fun and fellowship were had by all. Coming up is our attendance at SASA in Myrtle Beach. Be sure you are registered for the parade. Alee Shrine nobles love parades! Stated Session is also September the 9th. Please get your RSVP in for this. Remember to educate others about events and workdays while doing more in 2024!

First Lady,
Julie Hodges

Ill Sir Carey and 1st Lady Julie are making memories at Alee events...I think they found their dream vehicles at the Mobile Unit Classics Car Show. They also attended the Cabiri Social with Divan members.

Women IMPACTING CARE SUPPORTING SHRINERS CHILDREN'S™ FIRST LADY JUDY BURKE 2024-2025 CHAIR

Women Impacting Care, chaired by Shriners International's First Lady, is a thoughtful group of women donors, supporters and advocates who have bonded together to help highlight services and programs of Shriners Children's. This year, First Lady Judy Burke has chosen to focus on Shriners Children's mission to provide life-changing care to children with burns with her program, "On Angels' Wings."

Inspired by a personal firsthand experience with the exceptional care provided by Shriners Children's, Lady Judy has chosen to support burn care and all the wraparound support services that are needed to provide healing for children and their families who have experienced devastating burn injuries. The theme, "On Angels' Wings," reflects how it often feels that our patients and families stand on the wings of angels. These wings are often borne by our healthcare team – doctors, nurses, rehabilitation specialists, psychologists – as well as road runners and the amazing network of nobles and ladies. Our patients and families know these angels supply their wings of love through their work and dedication.

COMPASSIONATE BURN CARE THAT EMBRACES THE WHOLE FAMILY

Pediatric burns can be among the most painful and difficult injuries a child can sustain and are frightening and stressful for the whole family. Shriners Children's treats all levels and types of burns, including scalds, chemical burns, electrical burns and flame burns. The highly specialized teams are known around the world for their expertise and their innovative, caring and personalized approach to treating burns in children.

After the patient arrives at one of our hospitals, our incredible doctors and nurses develop a treatment plan for the child. They share what to expect with the family and continue to partner with them throughout the healing journey. Lady Judy knows firsthand that this gives the family a sense of relief that our providers will do the very best to help their child return to their daily lives as quickly as possible.

Parents play a large part, as well, in caring for the child. Shriners Children's is a special place where compassionate nurses, care managers, therapists and physicians care for the whole family as much as the child.

WRAPAROUND SUPPORT SERVICES

Shriners Children's has the resources to support patients throughout their treatment, including occupational, physical and child life therapy, scar management, prosthetics and orthotics. They also focus on the emotional healing that comes after a burn injury. Patients have access to psychological services as well as school and community re-entry programs to help children adjust to life outside the hospital.

EDUCATION IS KEY TO BURN PREVENTION

Education and prevention are essential in reducing the number of burn injuries sustained by children and adults every year. Shriners Children's burn care teams work with local organizations to promote health and safety through education and research. They also conduct burn prevention programs for schoolchildren. In addition to supporting the burn care services at Shriners Children's, "On Angels' Wings" seeks to raise awareness and support programs that educate the public on how to keep their families safe from burn injuries.

ON ANGELS' WINGS

First Lady Judy invites you to join her in making an impact in the lives of our patients. Donors who would like to support Women Impacting Care may purchase "On Angels' Wings" products or make donations online.

Thank you for your compassion, generosity and support of Shriners Children's.
