Augusta Ladies Auxiliary

Dear Alee Nobles and Ladies,
Hello, fall! October is near, and with it comes cooler weather, fun, fellowship, family, and lots of opportunities to make great memories together!

The nobles of Augusta are excited to once again provide transportation to the Shrine children! During our September meeting, Illustrious Sir Dave Armstrong" D2" and Chief Rabban Ray Christian presented Augusta with another vehicle for our Roadrunners to use in transporting our Shrine children. This vehicle will make it easier and more convenient to load and unload children, especially those who use wheelchairs. We are so thankful for this opportunity to continue serving our children and supporting the important work of the Shrine.

Mark your calendars for October 17 at the Augusta Shrine Club! Augusta will be hosting their annual \$10,000 Party and seafood supper. Good food, good fellowship and the chance to win money! We look forward to seeing all you ticket holders!

SASA is September 18-20! Every year so many memories are made! A parade showcasing each club is a highlight, and being together with our family and the families of other temples is irreplaceable. We hope to see you all there!

It wouldn't be October without our Haunted House, and it is open every weekend in October! Come out, bring your family and friends, have a little scare and don't forget to wear your costume!

Let's make October special and remember the simple things we can do to make someone's day better. October 5 is National Be Nice Day. Pay for a stranger's coffee, help a neighbor or volunteer. Even a simple compliment can change a person's entire day. You never know how much a simple act of kindness may mean to another person.

Let's make this October a month filled with service, kindness, laughter, family, and fellowship!

Prayers and Blessings to all,
Sharon Bennett

ALEE PIRATES

The October winds are filling our sails, the Jolly Roger is flying high, and the Alee Pirates are once again making waves across Shrinedom! October also means it's time for one of Alee's favorite fall traditions—the Alee Haunted House! This weekend event at the Alee Temple is always packed with thrills, chills, screams, and plenty of great entertainment. More importantly, it is another outstanding Alee fundraiser, bringing our Shrine family and community together for some spooky fun while supporting our mission. Come out, bring your family and friends, support the Haunted House, and see just how scary Alee can be when the lights go out!

The South Atlantic Shrine Pirates recently descended upon Shriners Children's Greenville for a full-scale Pirate Invasion, and what an incredible day it was! Captain Brian and the YelDuz II set sail from Savannah, carrying a crew of Pirates on a special mission—to bring smiles, laughter, and Pirate cheer to the children and staff at the hospital. Our Pirates handed out gifts, trinkets, and plenty of treasure to the kids while taking time to personally thank the incredible hospital staff for the work they do each and every day. The Pirate Invasion was a huge event, even drawing coverage from the local news! And, as always, the mighty YelDuz II stole the show. Our Pirate ship was a tremendous hit with the children, families, staff, and everyone who came out to welcome the invading Pirate fleet.

A huge ARRRRGH and THANK YOU goes out to the Alee Shriners who made the journey and helped make this special day possible. A special thank you to our Potentate, David Armstrong II, who climbed aboard and rode the YelDuz II all the way from Savannah, and to Drifters President Dusty Sauls, who joined the voyage as well.

Days like this remind us of something very special about Alee: our Units support one another. Whether we are Pirates, Drifters, Dunecats or members of another Alee Unit or Club, when it comes to supporting our Shrine, our hospital, and most importantly our children, we sail together as one crew. That fellowship and dedication are what make Alee the best Shrine in all of Shrinedom. ALEE IS #1!

And the Pirates didn't arrive empty-handed! The Alee Pirates proudly presented a \$5,000 donation to Shriners Children's Greenville that day. Combined with contributions from the other participating Pirate Units, the South Atlantic Shrine Pirates donated an outstanding total of \$11,500! And there was even more treasure aboard—the Pirates delivered treasure-chest loads of pull tabs collected for the hospital! Thank you to every Pirate who made the trip. We may have traveled to Greenville aboard the YelDuz II, but the real treasure was seeing the smiles we helped put on the faces of the children and hospital staff. That is what being a Shriner—and an Alee Pirate—is all about.

Pirate fundraising season has officially set sail, and the crew is charting another successful course in support of the mission of the Alee Shriners and Shriners Children's. Every ticket sold, every fundraiser supported, and every Pirate who lends a hand helps us continue doing what we do best—having a great time while making a difference for the children we serve.

And, of course, the legendary Surrender the Booty Partaie returns November 7—bigger, bolder, and more mischievous than ever!

This unforgettable evening promises great fellowship, music, laughter, outstanding prizes, and just the right amount of Pirate mayhem. Tickets are on sale now at AleePirates.com, so don't let this treasure slip through your fingers. Grab your tickets, gather your crew, and prepare for another legendary Pirate night!

To stay current on all Pirate adventures, fundraisers, events, and announcements, keep your compass pointed toward AleePirates.com—your safe harbor for everything Alee Pirates.

As October sails toward the horizon, remember why we hoist the colors in the first place: fellowship, brotherhood, and helping the children who depend upon Shriners Children's. Keep supporting your fellow Nobles, keep looking out for your Brothers and their families, and never miss an opportunity to lend a Pirate hand.

"The greatest treasure isn't the gold in the chest—it's the smiles we leave behind along the voyage. Keep the sails full, the Jolly Roger flying, and always remember... Alee Pirates sail together!"

Respectfully submitted,
Bill Whiteman

Temple Ladies Auxiliary

Temple Ladies Auxiliary
Welcome, fall! I do like the weather, decorations and Halloween. At Alee, the Haunted House is our big event. It will be 5 weekends this year. Hope you have plans to come help.
At our September meeting a nominating committee was appointed. They have a tough job. They must find someone to serve two years in an office. I wish them luck. I have not been a great secretary, because JJ and I were traveling, I needed someone to cover for me to fulfill my obligation. Thank you to Lady Donna for standing in for me.
We are already working on plans for the Children's Christmas Party. Lady Pat Cooper has been the Chairperson of this event for 10 or so years. She has announced that this is her final year. Hopefully, we have been learning from her experiences. She is a hard act to follow.
Our Birthday Ladies for October are Lady Nellie Nelson, Lady Pelvia Woods and Lady Nordene White. Ladies, I hope you have an awesome day.
Until next time,
CJ

Hello Nobles and Ladies,
We've had a busy few months. In August we had our annual President's Ride which took us to Ponte Vedra Beach, FL. We had a fun weekend of riding, eating and fellowship. We got to see baby sea turtles hatching, coming out of the sand and heading for the ocean, right in front of the house we rented on the beach. The house next door had a wedding on the beach, to which we had front-row seats. We watched SpaceX trail across the sky as we sat on the beach enjoying the sounds of the surf and each other's company. A few of us even had the opportunity to swim with a hammerhead shark that came within about 15 feet of us while we were playing in the ocean. We had a fantastic dinner and evening at DJ's Clam Shack on Friday night, with music by Big Papa Fish and steaks on the grill Saturday night. A great time was had by all.
In September we had a lunch ride to Red's Ice House in Mt. Pleasant, S.C. We had a fun afternoon watching people, boats, and dolphins while enjoying some good seafood. Hopefully now that the temps are cooling we'll have a few more of these rides. Speaking of which...parade season is upon us!
Congratulations to Caleb Harkleroad for winning the Henry Golden Boy Rifle we raffled off!
We held our annual elections during our September meeting. Our 2027 officers are: Noble Mike Braver, President...Noble Robert Goolsby, Vice President... Noble Duane Bartels, Secretary...Noble Bubba Johnson, Treasurer. Congrats to our newly elected officers!
We are always looking for "a few good Nobles", so if you have a motorcycle and would like to ride with us, we meet the 1st Monday of every month at the temple. Stop in and give us a try!
Fraternally,
Scooter Trash

Dune Cats

Dune Cats: Fall Into a Busy Season!
The Dune Cats and Auxiliary were proud to sponsor the Alee Children's Dance on September 12, giving our Shrine kids an evening filled with music, fun, and plenty of laughter. It was wonderful to see everyone come together and make the evening special for our children and their families.
Following Alee's Quarterly Stated Session on September 14, we headed to Myrtle Beach for the South Atlantic Shrine Association Fall Convention, September 17-20. Alee proudly drew Parade Position #2, and the Dune Cats in attendance were looking forward to rolling down Ocean Boulevard on September 19. This year's convention is especially exciting as P.P. Freddie Humphries Jr. was installed as President of the South Atlantic Shrine Association. We are proud to have one of our own representing Alee and know he will do a wonderful job leading SASA.
Haunted House Weekend — October 9 & 10
Mark your calendars! October 9 & 10 are the Dune Cats' weekend at the Haunted House.
You are welcome to come on any other Friday or Saturday, too.
A few important reminders:
Makeup/costumes and sign-in begin at 6:00 p.m. Please do not arrive before 6:00 p.m. If you are not dressing in costume, arrive at the haunt by 6:30 p.m. Actor sign-ups close at 7:00 p.m.
Please plan to stay until the end.
And yes—your ladies are welcome too!
This is a HUGE volunteer-oriented event, and it truly takes many hands to make it happen. Our weekend also includes helping feed the volunteers, so bring your favorite sandwiches, desserts, soups, or other goodies to share. Here is a little Dune Cat memory that always brings a smile:
Every year, Colleen brings meatballs for the Haunt! HL used to greet her at the gate, waiting for his bowl. Eventually, she learned to make a separate container just for HL, Bob, and Jamie.
Some traditions are simply too good to give up! Come Be a Dune Cat!
Whether you're a brand-new Noble or an experienced Shriner looking for a unit, we would love to have you join us. We meet the first Monday of every month at 7:30 p.m. in the Dune Cat Room on the second floor of the J.C. Lewis Building.
Until next time, keep the wheels turning, the friendships growing, and the Dune Cat spirit stronger than ever!

Alee Shriners Past Masters' Association

Alee Knights of Mecca – A Past Masters Association
The Knights of Mecca proudly bring together the Past Masters and current Worshipful Masters of Alee Shriners in a spirit of leadership, fellowship, and service. Our members continue the proud tradition of supporting Alee Shriners while strengthening the bonds of Freemasonry through mentorship, friendship, and shared experiences.
If you're a new Noble, an established Noble currently serving as Worshipful Master, or a Past Master, we invite you to join the Knights of Mecca. Bring your Lady and join us for a Dutch treat dinner. Our next meeting will be on October 29, at Carey Hilliard's on Hwy 21 in Garden City. We will be holding elections for new officers. Members are also encouraged to invite their current Worshipful Master and his Lady to experience the fellowship of the Knights of Mecca.
Whether you've just become a Noble or have worn the fez for years, if you've served your Lodge as a Worshipful Master, there's a place for you in the Knights of Mecca.
"Once a leader in your Lodge...always a leader in our fraternity."
Knights of Mecca: Leadership, Fellowship, and Service

Death is an absolute. We will all pass away, eventually. But some deaths hit harder than others.
In August, the Director's Staff lost one of the rocks in our unit. Cle Lynes passed away. He had been sick for a while and his body just couldn't fight any longer. He is now reunited with the love of his life, Mary Alice.
When I joined the unit, Cle was already having physical problems that made it hard for him to fully participate, but it didn't stop him! He and Mary Alice worked our Children's Hospital Golf Tournaments and registered all participants and sold fundraising tickets. They were some golfers' first introduction to the Shrine and the Lynes could not have been better ambassadors.
The two of them also worked tirelessly for the Unit fundraiser, BBQ dinners. They were there all evening getting the BBQ dinner containers, condiments, utensils, etc. ready for the next day's deliveries. Then they were there that morning to help get the dinners put together and out the door.
Cle and Mary Alice were also very instrumental in the success of the Shrine Director's Association we produced in Savannah. They took care of ALL of the pre-registrations, as well as ALL of the check-ins, making sure everyone's choices of events to attend was correct, and correcting anything that was not right. It could not have happened without their leadership and willingness to step up.
Cle was also instrumental in ensuring the second session of Ceremonials went smoothly from the back room.
I know I am missing many other contributions that Cle made to our Unit, as well as the Shrine.
If Cle was involved, you knew everything was going to be okay.
Cle, give Mary Alice a big hug from all of us, and until we meet again,
Rest in Peace, Brother.

Illustrious Potentate's Message

Hello, Nobles and Ladies of Alee. This is your Potentate D2.

I would like to start by simply saying thank you. Thank you to everyone for your continued support of Cheryl and me. We are having an absolute blast this year, and we are truly honored to serve such great Nobles and Ladies of the greatest Temple in Georgia.

Alee Temple is second to none, and that's because of our wonderful Nobles, Ladies, and their families. Your support and participation are what make Alee so special.

If you missed the Alee Children's Dance, you really missed a good time! I think the adults had just as much fun as the children. And judging by all the smiles on the children's faces, they were having a great time too!

A huge thank-you to Lady Fabulous for all the hard work she put into making the Children's Dance such a fun and memorable evening for everyone.

I also want to congratulate Illustrious Sir Freddie Humphries on being installed as President of SASA. I know Illustrious Sir Freddie will represent Alee extremely well, and we are all proud of him.

We had another great time at SASA this year. I want to say a special thank-you to everyone who helped in the hospitality room and to everyone who stopped by to spend some time with us and celebrate with our Alee family. It was great seeing everyone, and we appreciate each and every one of you.

Well, now we're moving right into Haunted House season!

We need lots of help to make this fundraiser the great success it has become. So please come out and help on your club or unit's night to work. And remember, you don't have to wait for your assigned night—you can come out and help any night you would like!

There's always something that needs to be done, and every helping hand makes a difference.

Thank you all for everything you do for Alee, for our Shrine, and most importantly, for our kids.

Cheryl and I truly appreciate each and every one of you.

Faternally,
Dave "D2" Armstrong

GET YOUR FIX IN 26

First Lady's Message

Well, folks... October is here! And if you're anything like me, you're wondering how in the world we got here so quickly. Wasn't it just yesterday that we were kicking off this adventure? Somehow, we have gone from parades and balls to summer heat, and now we are heading straight into pumpkins, football, cooler temperatures, and the mad dash toward the holidays!

They say time flies when you're having fun, and I can certainly testify to that.

When I think about this year so far, one word continues to come to mind: GRATEFUL. I am grateful for the places we have gone, the events we have attended, the laughter we have shared, and most of all, the people who have made this journey so special. I am especially thankful for the continued love and support you have shown Illustrious Sir D2 and me throughout this year. Every visit, every fundraiser, every encouraging word, every helping hand, and every bit of laughter has meant more to us than I could ever put into words. We truly could not do this without you.

So, put on that favorite fall sweater, grab a pumpkin-spiced something—or whatever your beverage of choice may be—and come join us for the next adventure. There is still plenty of fun to be had, plenty of fellowship to enjoy, and, most importantly, plenty of good to be done for the children of Shriners Children's.

Now... let's go make some more memories!

With all my love and gratitude,
Cheryl Armstrong

Chief Rabban

Hello Nobles and Ladies. Thank you to all the clubs and units that donated to the Sportsman's Banquet to make it successful. It has become our biggest fundraiser and it takes a lot of Nobles to make it successful. Thanks to everyone. The Haunted House is here, so please come out and help. As a friend of mine has said, "Many hands make light work." Illustrious Sir David and I carried a patient transport van back to Augusta which will be used to transport our children to their appointments, so thank you Augusta Shrine Club for all you do. Please remember our sick and distressed brothers while on bended knee. If I can ever be of help to any Noble, Club or Unit, please give me a call, text, or email. Thanks and we'll see you soon.

Fraternally yours
G. Ray Christian
Chief Rabban 2026

Assistant Rabban

Hello Nobles and Ladies,

It's Haunted House time. We have assigned the work weekends so let's get out and show support. We have a new metal detector, thanks to the Alee Pirates, so entry will be faster and the lines will fill faster. Don't forget to congratulate our new S.A.S.A. President and First Lady. We had such a great time at Myrtle Beach. Congratulations to the Alee Pirates on their 21-gun salute and their annual poker run.

We also have our ceremonial in November coming up and yes, we are playing golf on the 13th. We are going to South Bridge, and the cost will be \$125.00 a person or \$500.00 a team. So, call me on (912) 655-5258 or any member of Divan to join your team. Remember, if you have a new candidate, that person plays for free, We need the names of everyone on the team.. If you know a business that wants to do a hole sponsor let me know. Thank you for all the continued support and hospitality you have shown my lady and me. I hope to see you all at the upcoming events and call if you need any assistance.

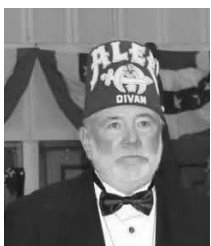

Fraternal Yours,
Andrew Watt Sr.

Oriental Guide

Hello Nobles and Ladies of Alee. Your involvement in Masonry is important, so please continue supporting your Blue Lodge whenever you can. October brings our Alee Shrine haunted house. Thank you to everyone who has already volunteered and helped make this event possible. I encourage all clubs and units to come out and support this event. Whether you can volunteer your time, help set up, work during the event, or help clean up, every bit counts. Let's come together, have some fun, and make this year's haunted house a great success. As your Oriental Guide, I encourage each of you to stay active, volunteer when you can, and to invite your brother Masons to come see what the Shrine is all about. Fraternally,
Gregory Spell,
your Oriental Guide.

High Priest & Profit

Fellow Nobles and Ladies,
Hope all are doing well. Fall is upon us and hopefully will bring some cooler weather. October brings us the Haunted House. Kathy and I look forward to seeing everyone as the units and clubs come out to support this great event. Parades are coming up, so let's get ready to show up and show out as no other Temple like as onlyAlee can do. F you know a Brother who cannot make it to the Temple, give him a call and let them know they are still important to Alee. Please remember to pray for our Shrine children.

Fraternally yours,
John Willis

Recorder

Hello Alee Nobles and Ladies
Well, the weather is starting to cool off somewhat but things at Alee are still going hot and heavy at Alee. October is here and everyone knows what that means: it's time for he number one haunted house in all of Georgia, Alee's Terror Plantation and we need everyone's help again this year, as the ALEE HAUNTED HOUSE is our biggest fundraiser of the year. Alee's haunted house is every weekend in October, and we need everyone's support, we will find a position for you from working in the haunted house, doing security, (which is very much needed), helping in the Dawg House to mention a few and as in the past our Nobles and Ladies supply the Chili, Soup, Chicken & Dumplings (one of my favorites).

Nobles, if you are a Scottish Rite member, don't forget that on Tuesday October 6, 2026, the Feast of Tishri begins at 6:30 p.m. Please plan to attend..

Looking forward to November, remember the November Stated Session on November 9, 2026, when we vote on the 2027 budget. If you have any questions about the 2027 budget just give your Chief Rabban Noble G Ray Christian a call at (843) 304-4601, this will be the last time to vote on any petitions for the fall ceremonial. November 13 and 14 will be the Alee Ceremonial so get those petitions in so they can be voted on at the Stated Session, ALL PETITIONS MUST BE TURNED IN BY NOVEMBER 5, 2026, BY 5 PM. NO PETITIONS WILL BE ACCEPTED AFTER NOVEMBER 5, 2026.

Lady Marlene and I wish everyone a great fall season as the temperature seems to be cooling off.

As always remember our men and women in the armed forces, fighting to keep our country free, your Divan working hard for the success of Alee, and the children and doctors at our hospitals while on bended knee. Remember to attend your Blue Lodge, Scottish Rite, and York Rite meetings regularly.

N a country where you can be anything you want, be kind, it costs you nothing. Shriners are brothers. We share a common creed, with common goals and values. Let's All work hard to keep ALEE great while GETTING YOUR FIX IN '26.

May God bless America and you.

Shriners Children’s News

With a sweet smile for everyone she meets, 2-year-old Josephine greets the world with the curiosity and wonder of a typical toddler.

She loves looking at picture books and sitting at the piano, picking out notes on the keyboard. But behind that friendly smile is a diagnosis so rare that researchers are still working to understand exactly what it means. Josephine is one of only a small number of known patients worldwide living with GEMIN5-related neurodevelopmental disorder, an ultra-rare genetic condition that affects brain development, movement, speech and coordination.

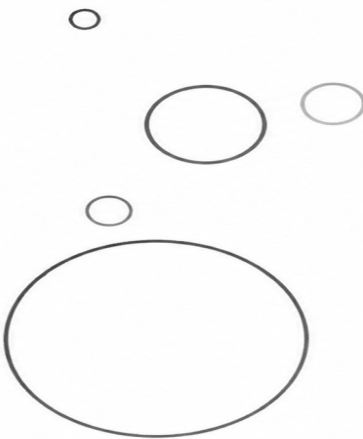

For her family, the diagnosis brought answers, but it also brought a new uncertainty. Because GEMIN5 was only recently identified as a distinct disorder, there is still much that doctors do not know about its long-term progression. Researchers believe the condition affects the development of the cerebellum, the part of the brain responsible for coordination, balance and motor control. Patients often experience developmental delays, low muscle tone, seizures, speech difficulties and challenges with mobility.

Shortly after birth, Josephine experienced torticollis, a condition that left her unable to turn her head normally. She later required a cranial helmet and began receiving therapy after developmental delays became apparent. Doctors eventually diagnosed her with hypotonia, or low muscle tone, and when she began experiencing absence seizures (brief loss of awareness), further testing was ordered. Full genome sequencing at UTMB provided the answer her family had been searching for: GEMIN5.

Like many families affected by rare diseases, they suddenly found themselves navigating a world with few definitive answers. Researchers are still learning about the condition, and even top specialists have limited experience treating it. Yet Josephine’s parents have chosen to focus on helping their daughter reach her fullest potential. That journey has been made easier through the support of Shriners Children’s Texas staff.

Dr. Branski helped answer my questions about Henley’s care without sugarcoating. He was honest and cared, which I appreciated.”

ALICYN, MOTHER OF SHRINERS CHILDREN'S TEXAS PATIENT

While there is currently no cure or definitive treatment for GEMIN5-related neurodevelopmental disorder, Shriners Children’s Texas staff plays an important role in helping children like Josephine manage the physical challenges that often accompany the condition. Rather than treating the underlying genetic disorder itself, the care team focuses on supporting mobility and overall function. For children with rare diagnoses, that support can make a significant difference in their daily lives.

“My goal for these kids is to support them in their growth and development, whether that’s with therapy, bracing or surgery,” said Cody J. Sanderson, M.D. “My goal is to relieve pain, improve function and restore cosmesis. That’s what we can do for these patients with rare conditions: improve their quality of life.”

Since becoming a patient earlier this year, Josephine’s family has found a care team committed to helping them navigate everything from therapies to adaptive equipment and future mobility needs. Just as importantly, they have found people willing to listen.

“Everyone we’ve met has been absolutely fantastic,” said Josephine’s mother, Kelsey. “They’ve just been so caring and helping us figure out, ‘What are your needs, and how can we help?’”

For the family, that support has been especially meaningful. Kelsey, a former elementary music teacher, left the classroom to become Josephine’s primary caregiver. Her husband continues to teach high school music, and together they balance the everyday responsibilities of raising Josephine and her older sister.

When you get to know Josephine, you will see much more than her condition. The daughter of two music educators, she has developed a remarkable love of music. While most toddlers struggle to sit through a television show, Josephine sits completely captivated by a performance of Mozart’s Piano Concerto No. 20 in D minor, watching the orchestra play the entire piece. She also enjoys sitting at the piano, turning pages in her favorite books and spending time with her older sister, Kennedy, who has been learning sign language alongside her.

Amid all the unanswered questions about her condition, Josephine’s family sees a little girl full of joy and childlike wonder. And while researchers continue working to better understand GEMIN5, Josephine is focused on something much simpler: discovering the world around her, one book, one piano note and one smile at a time.

Shriners' Creed

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His Name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives, and children. We should instill in our children the tenets of this creed, and the heritage from which it emanates.

As individuals, we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be better because of our fraternity and its principles.

As Shriners, we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals for Children to be the world's greatest philanthropy, and we covenant with each other to support its "temple of mercy" with spirit, time, talent and means.
